DOCUMENT No.	TITLE	NEW REV
--------------	-------	---------

CHANGE DESCRIPTION (FROM / TO):

D060390 removal of 303 from the materials allowed in the title block.

D060391 changing of the materials parts list to remove 303 from and changing of the fastener material from 300 series to 316.

D060395 removal of 303 from the materials allowed in the title block and adding of the overall 0.2 tolerance.

D060403 changing of the materials parts list to remove 303 from and changing of the fastener material from 300 series to 316.

D060404 removal of 303 from the materials allowed in the title block.

D060405 removal of 303 from the materials allowed in the title block.

D060409 changing of the materials parts list to remove 303 from and changing of the fastener material from 300 series to 316.

D060411 removal of 303 from the materials allowed in the title block.

D060413 removal of 303 from the materials allowed in the title block.

D060415 removal of 303 from the materials allowed in the title block.

D060416 changing of the materials parts list to remove 303.

D060417 changing of the materials parts list to remove 303.

D060418 removal of 303 from the materials allowed in the title block and the changing of the note to the bottom of the side hole from see note 2 to see note 6.

D060419 changing of the materials parts list to remove 303 from and changing of the fastener material from 300 series to 316.

D060420 added the material specification 5083 to the title block.

D060421 removal of 303 from the materials allowed in the title block.
