Limited Warranty

The optical components and/or applicable thin film processing contained within this shipment have been thoroughly inspected by Cascade Optical Corporation (COC) QA department prior to release. All pertinent data and/or MIL standard compliance are utilized in the Cascade Optical Corporation Certificate Of Conformance as listed above. Unless terms and conditions are arranged at the onset of the purchase order, the following conditions shall apply:

- 1. Materials and services are warranted for 45 days of receipt of material.
2. Customer must obtain an RMA number from Cascade Optical Corporation Quality Manager prior to return of discrepant material or service.
3. Conditions for the RMA include the return of data sent with the order, proof of purchase data and corresponding Certificate of Compliance such that the part number, serial number, and test data can be linked to the materials or services in question.
4. Cascade Optical Corporation will utilize retained witness samples, materials returned and other test evaluation data to implement a quick resolution of the findings.
5. Cascade Optical Corporation shall then contact the customer and replace, rework, or return the components or services where applicable.
6. In the event of conflict resolution, a third party may be utilized to substantiate findings.
