

"HOW TO NAVIGATE A POSTER SESSION"

DO

How does it work?

It's ~~magic~~ SCIENCE.

ASK CONSTRUCTIVE QUESTIONS.

DON'T

Bullsh*t. I did this a decade ago.

You got a paper?

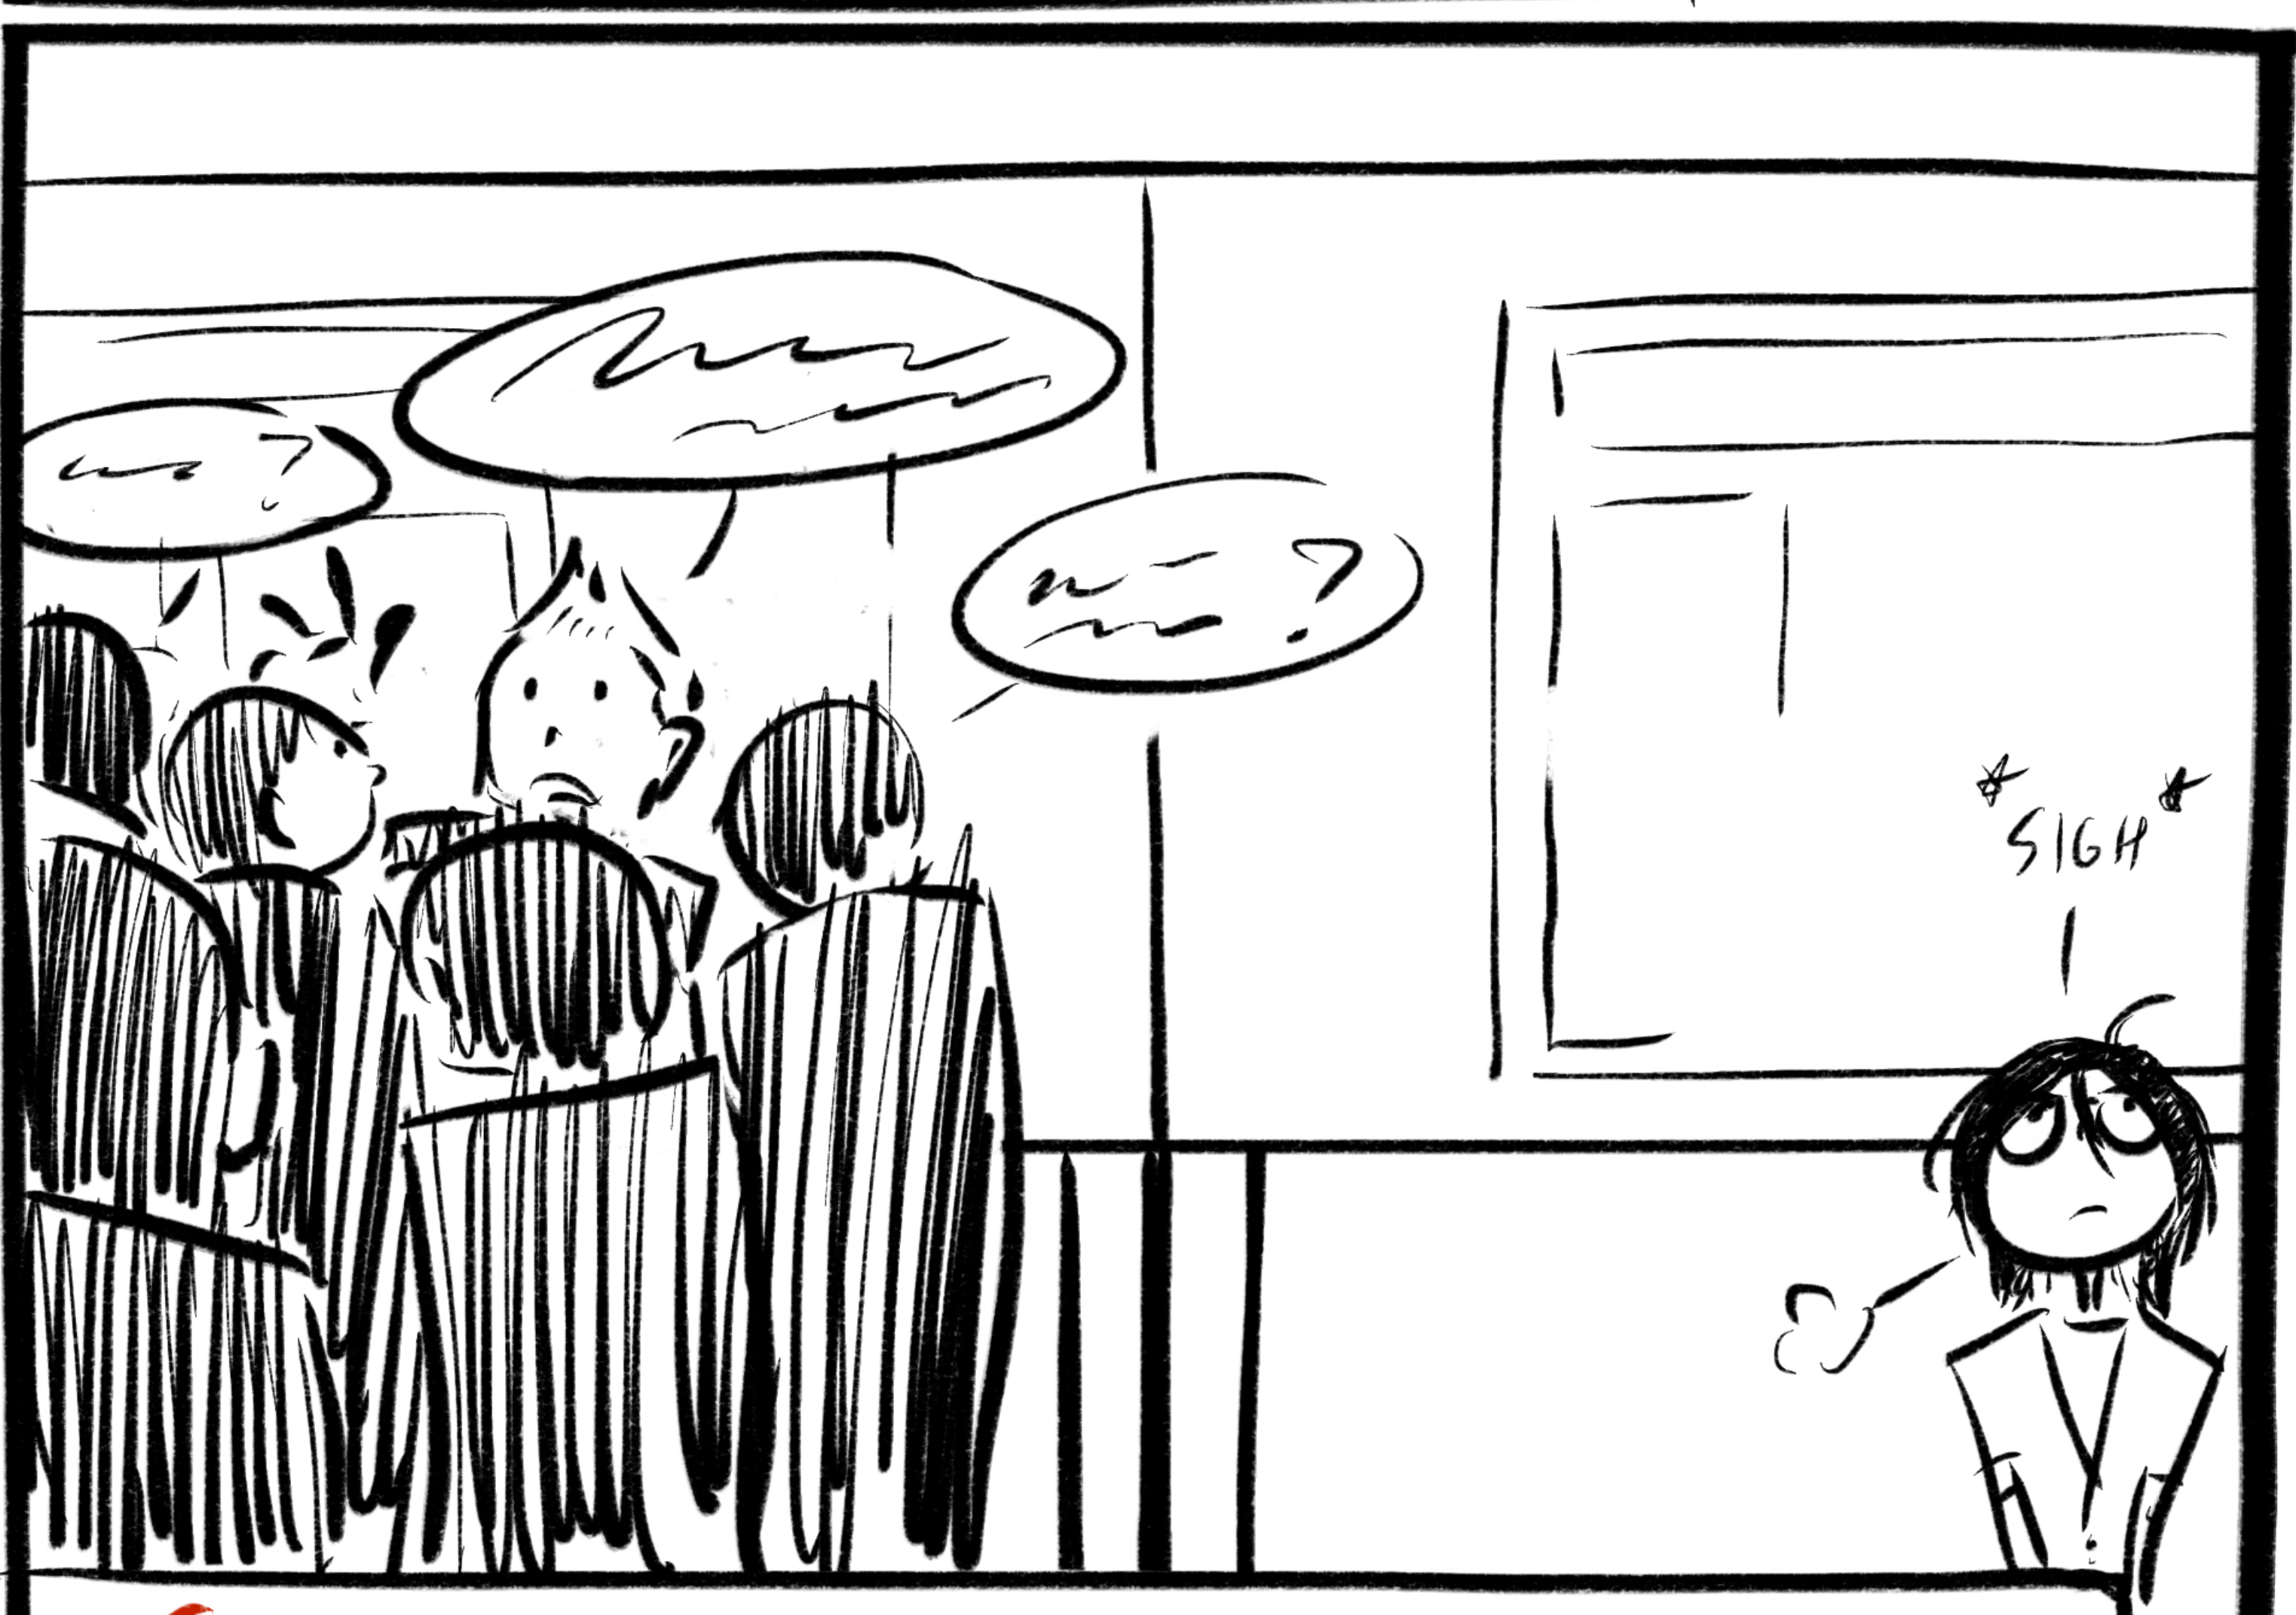

Nah. I did that in my garage. Just so you know.

BE DESTRUCTIVE.

WALK AROUND THE SESSION.

GANG UP ON ONE POSTER

I think you could try using this technique. I'll forward you the paper.

Thanks mate!

FOCUS ON SCIENCE

I think we should grab a drink tonight.

Dude, that's creepy.

FOCUS ON PRESENTERS*.

* OR POLITICS, OR ANYTHING THAT'S NOT RELATED TO THE POSTER REALLY.
